preschool transition schedule

a successful preschool journey begins with a confident start, our staggered entry schedule provides a welcoming, supportive transition that helps children feel safe, build confidence, and become familiar with their new classroom*

this calendar is intended as a planning guide, and will be updated throughout the fall as additional dates are confirmed. while every effort is made to keep it current, it is subject to change. families are responsible for staying informed by reviewing email, our website, and other preschool communications regularly.

we look forward to a year filled with learning, laughter, curiosity, and community.
